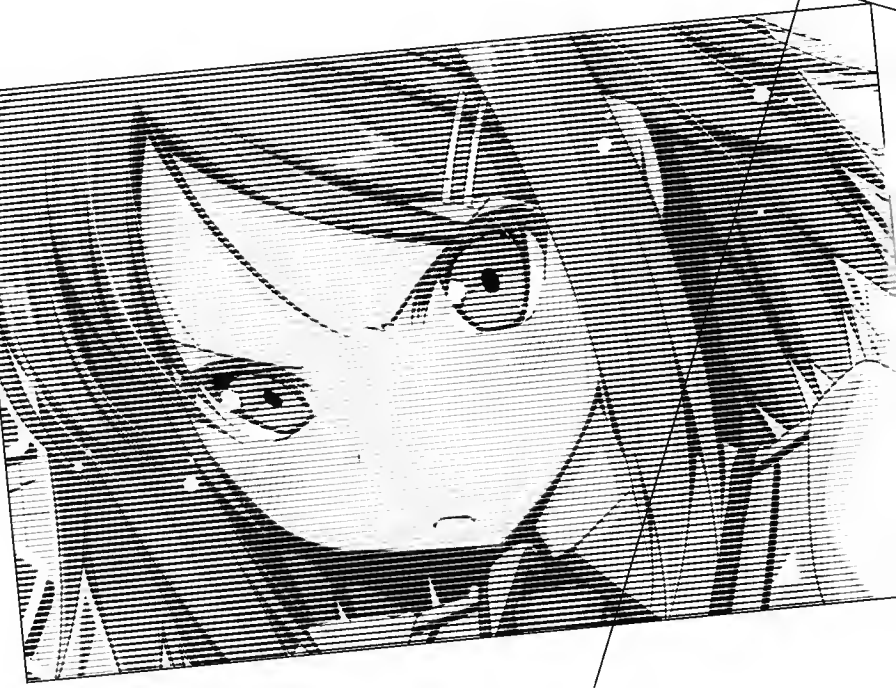
"Fool, Test and Sumon Beast" fanbook

StudyMeeting of Fool and Test2*



* Foreword *

■ It's a really cool spring, isn't it. It might be nice if it goes dere soon.

■ And with that, here's Mizoguchi Keiji. Good day!
Now then, this time's a BakaTest book, but amazingly,
1 was released more than a year and a half ago,
so the numbering became 2 this time round.
Well, the stories are completely unrelated though! It always happens, it always happens.

■ But well, BakaTest got animated as well, huh.
They managed to make it interesting, so it became real hot!
I've really been enjoying it every week.
I wonder if they'll do a 2nd season or not. I'm so looking forward to it, you know, you know.

■ And so, it became a book about Kinoshita Yuuko, who was barely touched on in the original work,
but in the anime, several of her traits were changed, so that might have been a pity,
or perhaps not such a pity.

■ Well, she had quite a number of appearances, so I believe that itself is good! Probably.

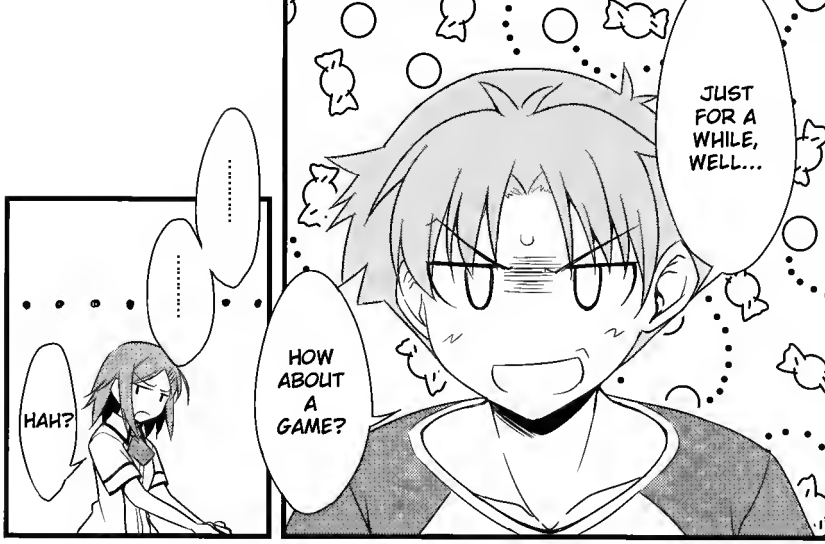
Ding Dong
Oh!
GREETINGS, YOSHII-KUN ...EH.
A SKIRT!
HEY, WHAT'S WITH THAT RESPONSE.
WELCOME, HIDEYO-
ガチャ
...I SEE.
わなわな
I GOT IT.
HMM?

ガッ
Now, jump in to my chest!
SO YOU HAVE FINALLY ACCEPTED THAT YOU'RE FEMALE, RIGHT!

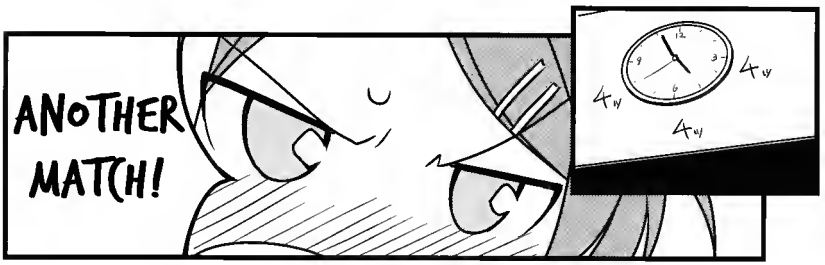
I'M YUUKO, YOU KNOW.
REALISE THAT WHEN YOU LOOK AT ME.
I DON'T GEDDIT..

SO I WAS ASKED TO LOOK OVER YOUR STUDIES ON HIS BEHALF.
IF YOU UNDERSTAND, HURRY UP AND GET ON YOUR FEET.
Here's a gift.
Hey
THAT IDIOT COULDN'T MAKE IT DUE TO HIS CLUB ACTIVITIES ALL OF A SUDDEN.

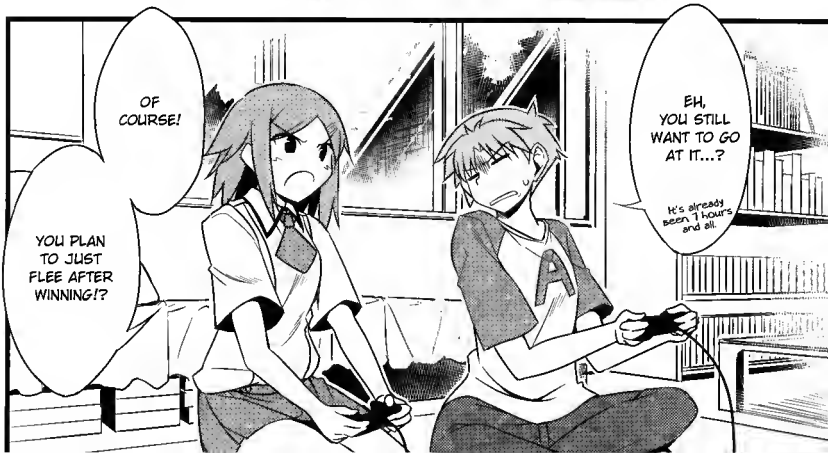
EEH... IT'S PRETTY NICE HERE.
.....
I WAS FORCED TO GET UP, BUT...
THE PLAN TO DEEPEN MY BONDS WITH HIDEYOSHI IS...!
THEN.
LET'S GET TO STUDYING, SHALL WE.
EH!?
NO AMOUNT OF TIME WOULD BE ENOUGH FOR YOUR MIND, AFTER ALL.
CRAP... AT THIS RATE, I WILL REALLY END UP HAVING TO STUDY...
I JUST WANTED TO PLAY AROUND BY THE TWO OF US UNDER THE GUISE OF A STUDY GROUP...!
...WAIT!



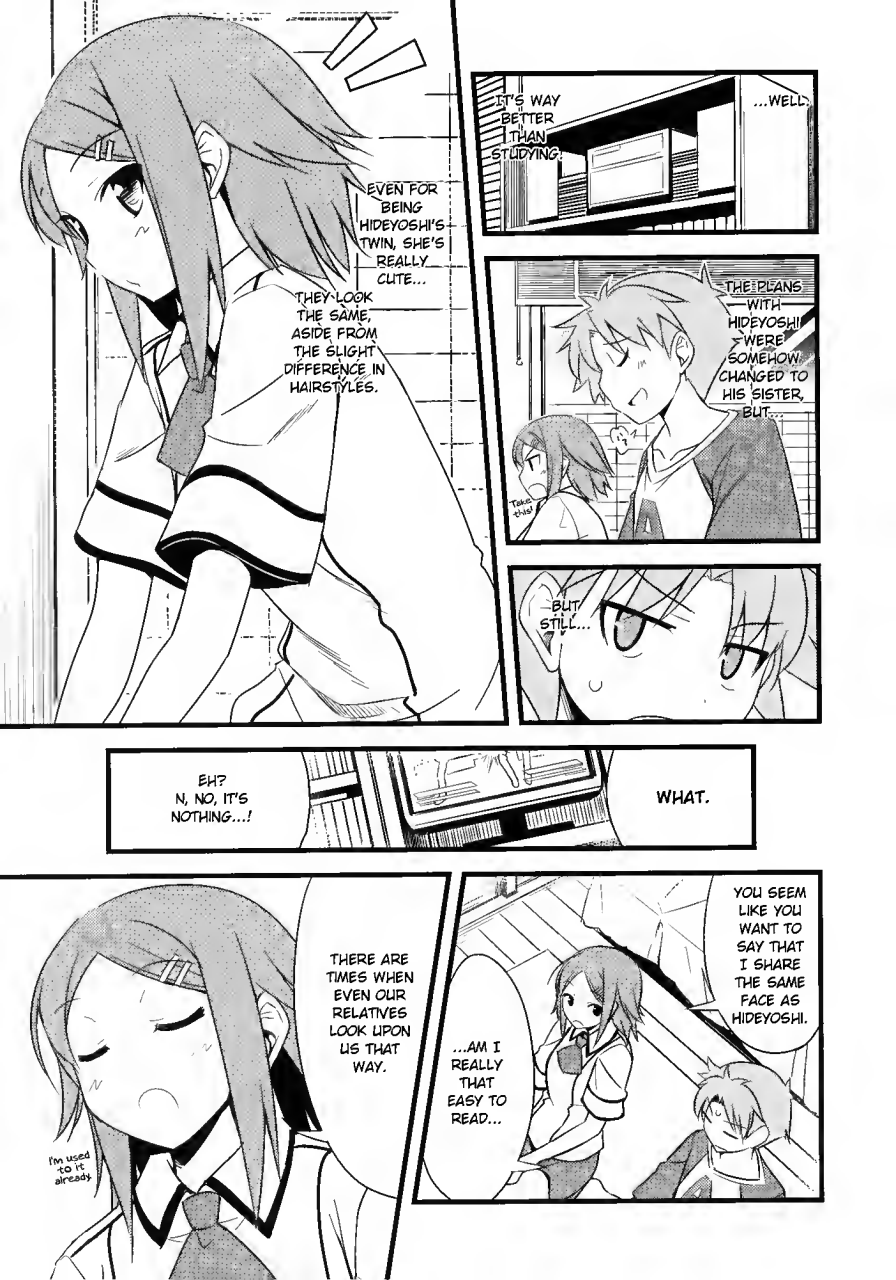
JUST FOR A WHILE, WELL...
HOW ABOUT A GAME?
.....
.....
HAH?



ANOTHER MATCH!

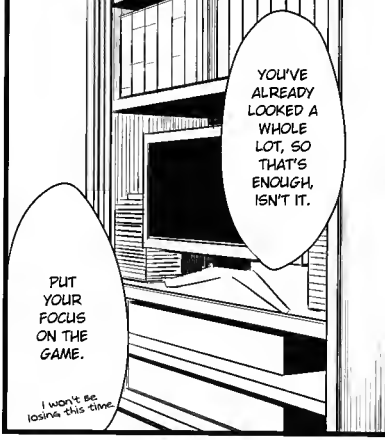


EH, YOU STILL WANT TO GO AT IT...?
It's already been 7 hours and all.
OF COURSE!
YOU PLAN TO JUST FLEE AFTER WINNING!?



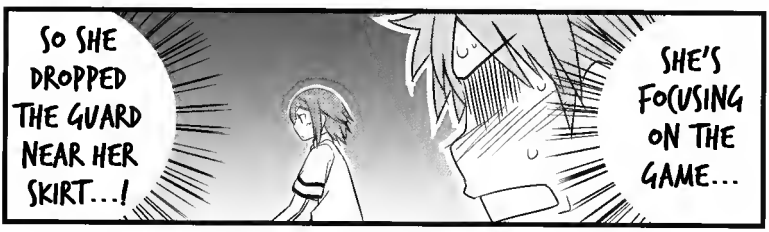
EVEN FOR BEING HIDEYOSHI'S TWIN, SHE'S REALLY CUTE...
THEY LOOK THE SAME, ASIDE FROM THE SLIGHT DIFFERENCE IN HAIRSTYLES.
IT'S WAY BETTER THAN STUDYING.
...WELL.
THE PLANS WITH HIDEYOSHI WERE SOMEHOW CHANGED TO HIS SISTER, BUT...
Take this!
BUT STILL...
EH? N, NO, IT'S NOTHING...!
WHAT.
THERE ARE TIMES WHEN EVEN OUR RELATIVES LOOK UPON US THAT WAY.
I'm used to it already.
...AM I REALLY THAT EASY TO READ...
YOU SEEM LIKE YOU WANT TO SAY THAT I SHARE THE SAME FACE AS HIDEYOSHI.

I WON'T BE LOSING JUST YET EITH...
HMM?

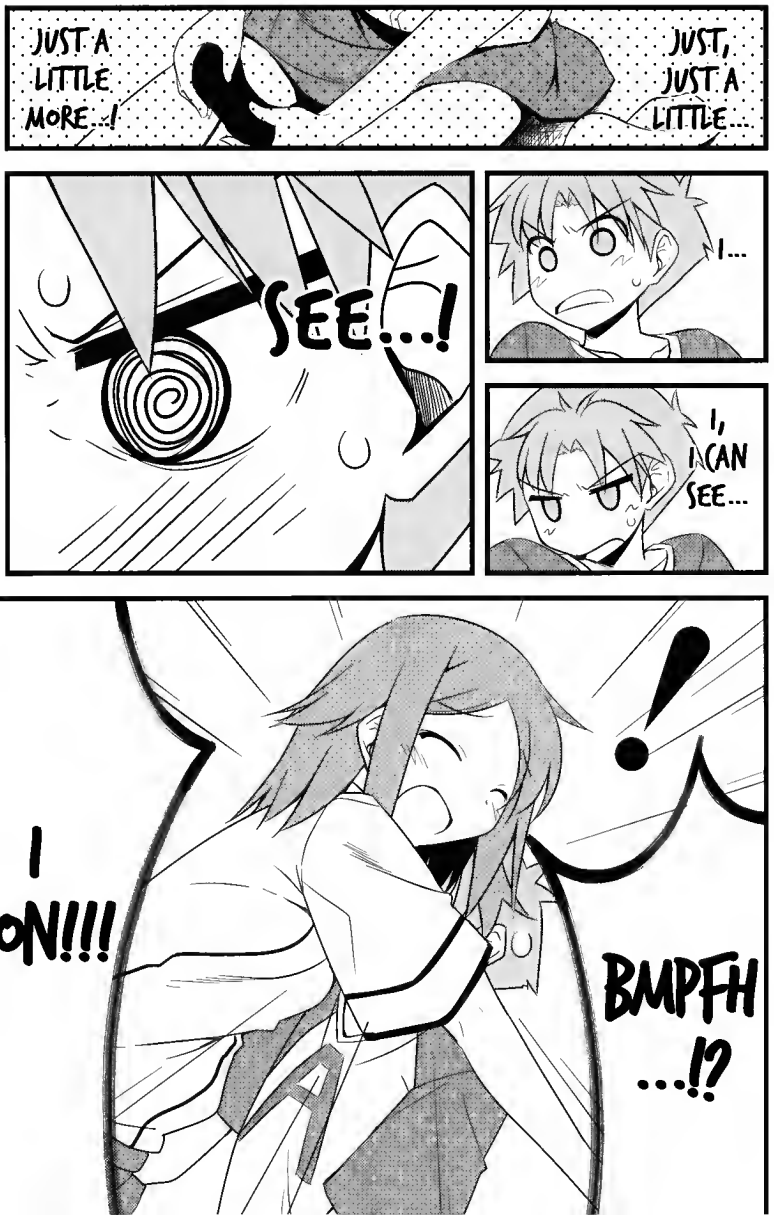


YOU'VE ALREADY LOOKED A WHOLE LOT, SO THAT'S ENOUGH, ISN'T IT.
PUT YOUR FOCUS ON THE GAME.
I won't be losing this time.

ムラッ
!?



SO SHE DROPPED THE GUARD NEAR HER SKIRT...!
SHE'S FOCUSING ON THE GAME...



JUST A LITTLE MORE...!
JUST, JUST A LITTLE...
SEE...!
I...
I, I CAN SEE...
I WON!!!
BMPFH ...!?

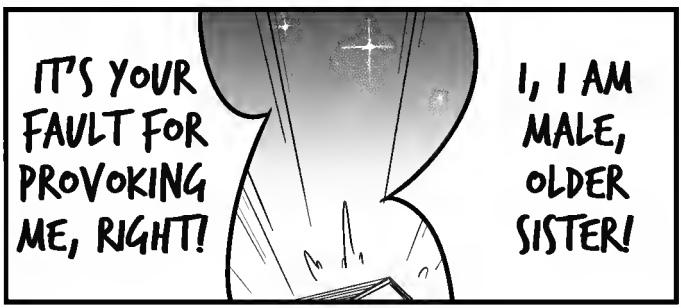
GEEZ, YOU GOT TOO FULL OF YOURSELF, YOSHII-KUN!
ぷる ぷる
MPFH, MPF...!
ぷる ぷる
BUT THAT MAKES MY FIRST VI...
Ah.
WH-WHWHWH-WHA, WHAT AM I DOING...!
ドキ ドキ ドキ ドキ ドキ ドキ ドキ ドキ ドキ
BUT KINOSHITA-SAN REALLY IS AMAZING, HUH.
...EH?

I KIND OF PLANNED TO TAKE THE GAME SERIOUSLY, BUT I'VE ALREADY ENDED UP LOSING.
YOU'RE SMART AS EXPECTED, HUH...
And pretty too.
UGH...
WH, WHAT'S WITH THAT... THAT WAS JUST UNFAIR...
HMM?
BESIDES, I'M STILL COMPLETELY LOSING OVERALL.
Ityl
SHUT UP, IT'S NOTHING!
ARGH!
That was too unreasonable...

I'LL KEEP GOING UNTIL I WIN 72 MORE TIMES AT THE VERY LEAST!
ANYWAY, EVEN WITH A HANDICAP.
YOU SEE, I DON'T BELIEVE IN STOPPING BEFORE I WIN.
1-72, was it.
Eh.
I DIDN'T EAT ANYTHING, SO I'M REALLY HUNGRY.
Is there any food left?
HMM?
TO THINK THAT YOU WOULD BE WITH AKIHISA UNTIL THIS TIME WITHOUT EVEN HAVING A MEAL...
...I'M BACK...
I didn't expect to be the first one back.
OH, WELCOME BACK, OLDER SISTER. YOU SURE ARE LATE.

I'LL DEFINITELY GET MY REVENGE AFTER PRACTICE AT HOME!
IT'S SO FRUSTRATING THAT I STILL LOST AFTER WE RAN OUT OF TIME IN THE END!
AAH, I FOUND OUT ABOUT IT FROM YOSHII-KUN.
THIS IS... SOFTWARE FOR A GAME?
PS・SS
ゲーム王
Game King
HAS GOTTEN A GAME...?
Just you wait, Yoshii...
TO THINK THAT MY OLDER SISTER WITH NO INTEREST IN ANYTHING ASIDE FROM BOOKS FOR GIRLS...
WH, WHAT ARE YOU SAYING!
There are many rivals, so it'll be hard.
NO, I DIDN'T QUITE THINK THAT EVEN OLDER SISTER WOULD GO AFTER AKIHISA.
HMM?
...OLDER SISTER.
DO YOU HAVE THAT MUCH INTEREST IN AKIHISA?

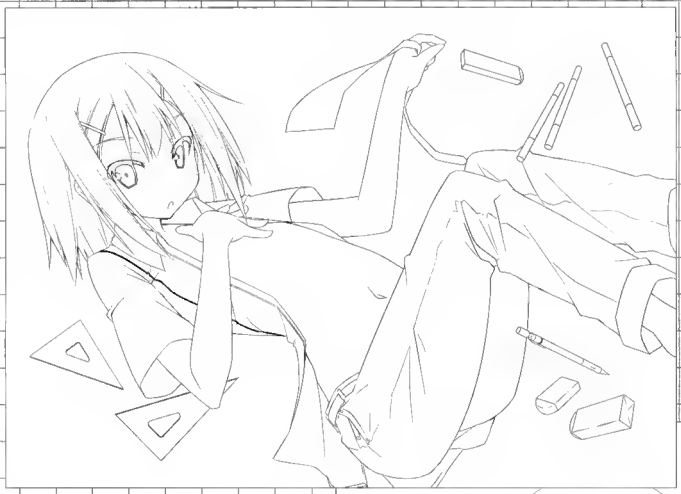
COULD IT BE THAT OUR TASTES ARE SIMILAR SINCE WE ARE TWINS?
.....OH RIGHT.
.....
ガッ!
hehehe...



I, I AM MALE, OLDER SISTER!
IT'S YOUR FAULT FOR PROVOKING ME, RIGHT!

MEANWHILE, YOSHII AKIHISA WAS PRESENTLY TAKING THE GIFT FOR DINNER.
THANK YOU, KINOSHITA-SAN...
ホロリ...
THANK YOU FOR THE CALORIES...
HIS IMPRESSION OF KINOSHITA YUUKO WAS STEADILY IMPROVING.

StudyMeeting of Fool and Test*2



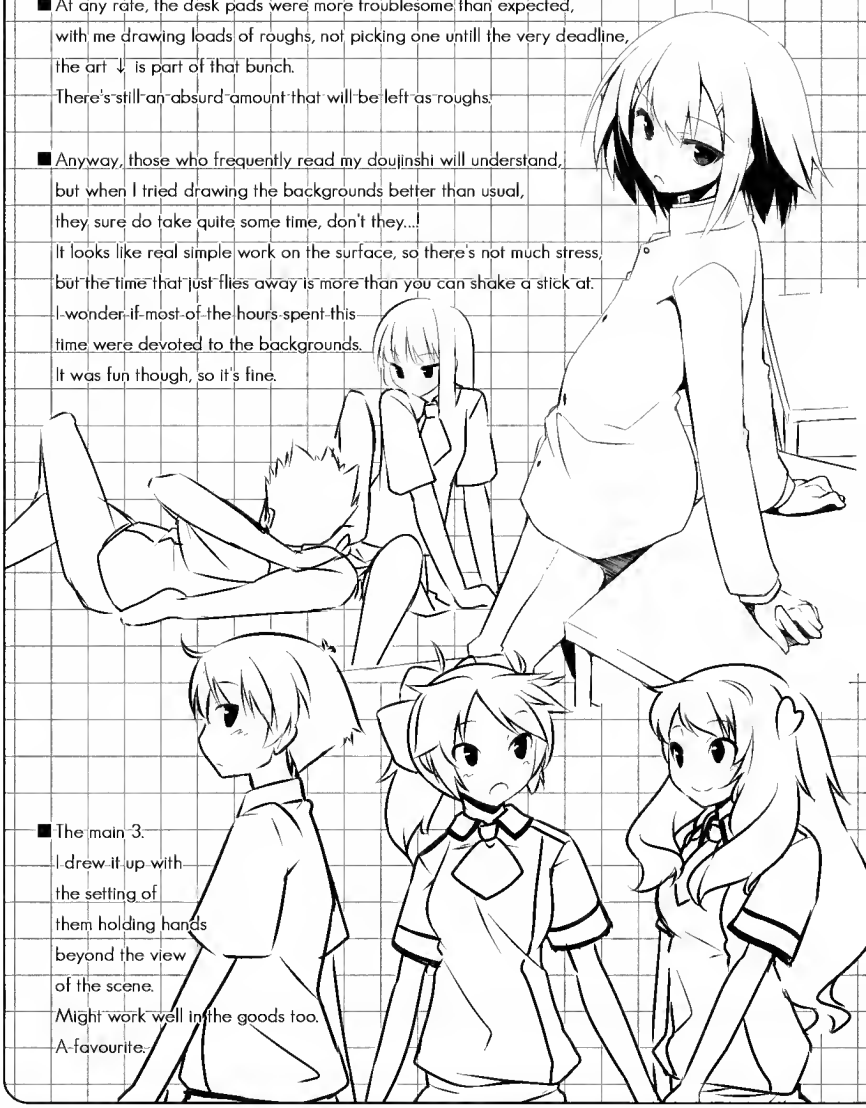
■ And now, time for the usual stuff.

■ The front cover and desk pads' line art.
—Been a while, really, since I did desk pads.
Been a while since I did anime colouring too.
Aah, when I do it every now and then,
it turns out pretty well, doesn't it...!
I'll be doing it again.

■ The front cover might have just been my
desire to draw a pouting tsuntsun Yuuko-san.
But still, Yuuko-san... She sure looks fine...!
It seemed ridiculous page-count-wise too,
but unexpectedly, it was settled smoothly enough, thankfully, thankfully.

■ At any rate, the desk pads were more troublesome than expected,
with me drawing loads of roughs, not picking one untill the very deadline,
the art ↓ is part of that bunch.
There's still an absurd amount that will be left as roughs.

■ Anyway, those who frequently read my doujinshi will understand,
but when I tried drawing the backgrounds better than usual,
they sure do take quite some time, don't they...!
It looks like real simple work on the surface, so there's not much stress,
but the time that just flies away is more than you can shake a stick at.
I wonder if most of the hours spent this
time were devoted to the backgrounds.
It was fun though, so it's fine.



■ The main 3.
I drew it up with
the setting of
them holding hands
beyond the view
of the scene.
Might work well in the goods too.
A favourite.

■ Advert!

■ I would like ta believe that the negativity will vanish if it's praudly declared aut, in the style af K-an's episade titles.

■ By: Kamashida Hajime-sensei, af Dengeki Bunka-san, the 2nd volume af the light navel, "Sakura-sau na Pet na Kanaja", is naw released. I'm in charge af the illustratians! Be sure ta read it!

■ Circle cut.
Drawn just far the accasian.
But the slip-up is the lack af Himeji-san.
It happens, it happens.

Afterword

■ So with COMIC entering its 4th run too, 3 years have already passed since the 1st.
At the time of the 1st, I was making doujinshi pretty often, but I still wasn't quite used to it back then (should have been just about 3 years since I started doujin activities),
recalling that this is the only event in which I have participated everytime, it's rather poignant.
Well, there seems to be a large number of people in the same situation though.

■ And thus, that's it for the BakaTest book.
Geez, it can't really be helped, with how the characters are just so charming,
but as for which of the two heroines would be coupled up,
even after 10 volumes have been released, it's still up in the air... still utterly in the air...!
Personally, I'm in the Himeji faction, so it would be nice if it steers that way,
but realistically speaking, Minami's probably more popular, huh.
If it goes for Hideyoshi, I believe it would become a legendary work in the world of light novels;
I ~~want~~ don't believe Bishoujo-sensei* to be that crazy.

■ Ah, I've started reading light novels extensively again recently.
I've always been reading, but I don't have as much time to spend on them, as my schooling days!
The recent new ones are good as expected...! I want to squeeze out more time. It's so not happening.

■ And as such, that's the end for this time!
If I don't break down, next I'll be at Summer Comiket, with a light novel-centric book again, perhaps!

* The nickname of the author of BakaTest, Inoue Kenji, is Bishauja.
